Burney swimming pool up for grabs

BY MEG FOX

The Burney Water District has a swimming pool it wants to give away and is willing to throw in \$75,000 if, say, the school district would take it.

The community swimming pool on Bailey Avenue has been operating in the red for at least three years and District Manager Bill Suppa said the situation is only getting worse.

He has watched swimming pool funds dwindle away from the

\$150,000 that was in reserve five years ago to the \$75,000 that's left in the account today.

Once that money is gone, the pool will have to close. "One major repair and we're out of it," he said.

He and the board of directors had hoped the voters in the water district would agree in November to pay one dollar more - or \$3 a month - to keep the pool open, but the initiative was turned down.

"We need to have a chat about

the pool," Suppa told his board at their Jan. 21 meeting.

The pool was built on property that is still owned by the Fall River Joint Unified School District and in the agreement the property would revert back to the school district if the water district were no longer using it.

"While we're still solvent, while there's \$75,000 in reserve, we could approach the school district and ask them to take it over. We could give

them the \$75,000 in reserve if they would maintain it and we would stop charging our customers two dollars a month," Suppa said.

"Or, we could keep going like we are until we run out of funds."

Director Aileen Hovis said the school district was "the perfect place" for the pool. Swimming could be added to the physical education curriculum and could possibly generate income for the district, she said.

New water board director Andrew Urlic asked about going to the voters once again because he wasn't convinced everyone had understood what the situation was.

In researching the November election, Urlic said he was surprised to learn that only 600 people voted on the swimming pool measure, even though 1,100 water district customers went to the polls to vote for water board directors.

District wants to up rates

BY MEG FOX

The Burney Water District wants to raise its sewer rates by six percent and the water rate by 9.8 percent for residential users.

It adds up to about a \$3 increase on the monthly bill for the average residential customer in the district.

"The crappiest part of my job is recommending a rate increase," said District Manager Bill Suppa, who screened graphs and comparison charts on the wall at the Jan. 21 board meeting to underline his reasoning.

"This is not in the least bit outrageous for what we provide. To continue to do what we do, we need to do this," said Board President Jackie Young.

If the water board approves the proposed rate increase at their February meeting, the Burney Water District would gain an estimated \$14,563 in annual sewer revenue and about \$45,450 in water revenue. The water revenue total is the sum of the proposed increase in the district's annual base rate and water sales.

More patients good for hospital

BY MEG FOX

Mayers Memorial Hospital had a surge in patients over the holidays and that was good for business — the hospital's financial report was rosier than it's been in months — but it also meant that nursing staff had to scramble to comply with the state's new nurse-to-patient ratio.

A few prospective patients even had to be turned away, according to Anna Engman, acute director of nursing at Mayers.

At the hospital's monthly board meeting Jan. 21 in Burney, Engman said there were four days when Mayers could not admit any new patients because they had reached the state mandated nurse-to-patient ratio.

In another example of the impact of the new regulation, Engman said that staff wanted to transfer a critical patient to another hospital, but that the other hospital had reached its limit and could not accept anyone else.

"So far, this has been a slight annoyance, but not a catastrophe," Engman said.

However, she has begun to "pad" staff for the busy spring and summer months ahead by hiring a full time nurse and a part-time nurse. She said she has another part-time nurse starting in February.

Engman also told the trustees

GATE meeting scheduled

Parents and children who are interested in Gifted and Talented Education are invited to the seventh annual NorthState for GATE membership meeting from 7 p.m. to 9 p.m. Thursday at the Shasta County Office of Education on Magnolia Street in Redding.

While the adults enjoy a program, there will be chess games for the students with volunteer chess expert Dave Bowman.

Schreder Planetarium

Director Brian Grigsby will talk about summer opportunities for gifted children.

The featured speaker is Mike DeRoss, assistant superintendent of education with the Siskiyou County office of Education.

DeRoss was the 2004 GATE Distinguished Service

Award winner for the Mt. Shasta Region and he will share his success with GATE programs in rural communities.

Dessert will be served. Members are also nominating and voting for four North-State for GATE executive board positions.

Proposal to bring back tax measure

—From Page 1

"They were there at the polls and didn't care enough to vote (on the measure)," he said.

Urlie said he believes the district could generate public support with better marketing.

He suggested not relying on newspaper articles, but to try and reach voters by sending information out with their water bills and giving presentations at local service club meetings.

"That's fine, but we need to do it before the reserve gets too low," Suppa said.

Also, since the water district is not scheduled to have another election soon, Suppa said another measure would have to go on next November's ballot as a special election that the district would have to pay for.

Both he, Hovis and Board President Jackie Young said that community members continue to complain to them about paying the \$2 monthly fee for the pool, even though it's tax-deductible and pays for a pass to swim for free.

Director Rowdy Yates suggested they first approach the school board and Suppa agreed to write a letter.

In other business the board:

- Heard a proposal for new water and sewer rates
- Was asked for input on the district's new customized accounting system
- Heard that Suppa is preparing a mandated Vulnerability Assessment and Emergency Response Plan required because of 9/11 and subsequent terrorist threats in the U.S.

Free snowshoe tours on Saturdays at Lassen park

The Lassen National Forest leads free, public winter snowshoe walks every Saturday at Lassen Volcanic National Park and also has walks planned on Feb. 2, Feb. 20, March 3, and March 19 on the Almanor Ranger District in Chester.

The easy, one to two-mile walks last about two hours and are open to adults and children ages eight and older.

The walks in Lassen Park begin at 1:30 p.m. from the southwest entrance and snowshoes are a \$1 donation

to help cover repair costs.

The Forest Service provides the snowshoes. Participants are advised to dress in layers and bring a hat, gloves, water, snacks, snow boots, sunglasses.

For more information, walking times for the Chester program, and to sign up for a walk, call Snowshoe Program Coordinator Barbara Jackson at the Almanor Ranger District at 530-258-2141.

Additional snowshoe walks are available by special request for school and educational programs.

CALIFORNIA FIRST AMENDMENT COALITION
TO PROMOTE AND DEFEND THE PEOPLE'S RIGHT TO KNOW

Nurse to patient ratio bigger problem

—From Page 1

that Santa Teresita Hospital in Los Angeles County had suspended its operations as an acute care hospital on Jan. 9, primarily as a result of the demands of the nurse-patient ratio.

"This is a tragic consequence of California's unrealistic and unachievable nurse-to-patient ratio regulations," according to a news release from the California Health-Care Association.

"The stated goal of these untested regulations is to protect and enhance quality patient care. Unfortunately, the manner in which the California Department of Health Services (DHS) has chosen

to interpret these regulations is instead jeopardizing the public's access to care," CHA said.

Having to comply "at all times" with the ratios, such as when a nurse is on a lunch or bathroom break, is "an impossible standard to meet — virtually no hospital in California is able to comply with the 'at all times' requirement 100 percent of the time," according to the CHA, which filed a lawsuit against the state health department Jan. 3 in Sacramento County Superior Court.

In the meantime, Engman said Mayers could turn to a provision in the law if they needed to. In the case of

an influx of flu patients, for example, the hospital could seek a waiver as long as their efforts to meet the ratio were documented.

In other business, the hospital's net income in December was \$235,217, well over what had been budgeted for the month. The hospital's long-term debt is gradually decreasing also.

"All in all December was a good month. A couple more months like December and we'll be in good shape," said J.R. Mefford, the hospital's interim financial officer.

Mefford had even more good news for the board when he reported that Medicare/Medicaid owes

Mayers almost \$36,000.

Although the federal agency is decreasing the hospital's per diem rate by \$12 per day (from \$1,224 to \$1,212) for inpatient services, they are giving a "substantial raise" in swing bed reimbursement with an increase from \$599 to \$743 per day.

The new rates went into effect Jan. 12. Mefford said that the \$35,920 due Mayers is for claims filed since July 1, 2003.

The hospital also received a clean bill of health on the June 30, 2003 audit prepared Matson and Isom, a Redding CPA firm.

Following a suggestion from board president Les Cufau, the directors agreed to make additional efforts to

show their appreciation to the hospital employees.

In addition to sacrifices made during the past three years, Cufau said he wanted staff to know how well regarded Mayers Memorial is, statewide.

He and Director Ruth Knoch said that when they attend conferences they both hear that Mayers is regarded as a model Critical Access Hospital and an exemplary rural California hospital.

"I know all of the board cares tremendously, but I don't know if how we feel is conveyed to those who work here," Cufau said.

In other business, the hospital's directors

— Heard that the proposed closure of Shasta Psychiatric

Hospital in Redding could impact Mayers, which, along with Redding area hospitals, might have to admit certain mentally unstable patients, including non-critical overdose cases. "We will inherit the problem and our problem will be to come up with a safe environment and staffing," said CEO Jerry Fikes. Fikes said he wants to be a part of the county advisory committee "to make sure that Mayers interests are represented."

— Heard that the air conditioning and heating units in the hospital's operating room and kitchen area are more than 20 years old and need to be replaced at a cost of around \$25,000 that includes installing the 3,500-pound units with a crane

Water, sewer rate increase would show up in April bill

—From Page 1

Customers would likely see the increase on their April bill.

Suppa said sewer rates are not based on the size of a home or its number of bathrooms, but "on the amount of water that goes into the sewer."

The sewer rate increase is a flat six percent — for residences and for motels and restaurants.

Burney Mountain Power is configured separately and the water rate for motels and restaurants is computed individually.

The water budget "is hurting the most," Suppa said.

Suppa has proposed charging an \$8.90 base rate, which is a 40-cent increase, plus six cents per 100 cubic feet.

Based on using 2,000 cubic feet of water per month and having a 3/4-inch water meter, the water increase equates to paying \$1.60 more a month or \$17.90 total.

"Even with the increase,

we're still the cheapest games in the North State," Suppa said, putting up a graph comparing the monthly water rates charged by other agencies.

Based on using 2,000 cubic feet of water per month, Del Oro in Johnson Park charges \$27.68, the Fall River Mills Community Services District charges \$37.79, and the City of Shasta Lake charges \$22.90.

Burney's rates are less than those charged by the cities of Anderson, Red Bluff, Redding Chico and water district's for Rio Alt, Bella Vista, Clear Creek, Weaverville, Mountain Gate and Old Shasta, according to Suppa's graph.

He also demonstrated how the water district's own bills have gone up in the past three years.

Fees paid to the Regional Water Quality Control Board increased 246 percent to \$3,468 per year.

Health insurance premi-

ums went up 76 percent and the district is paying almost \$30,000 this year.

The district is paying the Shasta County Local Agency Formation Commission (LAFCO) \$2,333, a 285 percent increase since 2001 "for nothing," said Suppa.

Overall, the district is looking at a \$61,000 increase in annual costs for the six examples he gave and those did not include utilities or Workers Compensation increases, which are "way out of sight," he said.

"The district needs to put in another well and we depleted our reserves on the EDA (Economic Development Administration) project and need to build the reserve back up," Suppa said.

The district was also hurt when Burney Forest Products, its largest customer, was down for about five months last year due to equipment problems.

"We lost \$25,000 during that time," he said.

MAKING IT YOUR BUSINESS

DAVID YOUNG

BURNEY PAIN RELIEF CLINIC is new in town. David Young, D.C., was motivated by his own healing experience with a chiropractor when he was in an accident in 1986. He invested seven years of training at Palmer Chiropractic University in San Jose to become a licensed chiropractor. Dr. Young has opened his practice in Burney in the Barr Building at 37491 Enterprise Drive, Suite B. His hours are Monday through Friday from 9 a.m. to 1 p.m. and 2:30 p.m. to 6:30 p.m. He said he will take Saturday appointments in an emergency and prides himself on his techniques and his ability to adjust anyone without causing pain. His mother, Karen Young, said he has the best hands in the world. Dr. Young does spinal adjustments, sports medicine and physicals, work and auto accident injuries, and pain management with specific exercises and adjustments. Treating patients the way he would want to be treated is his philosophy. "A comfortable patient produces better results," he said.

STEVE MURPHY

HALF TIME PIZZA, located in the Burney Shopping Center near Rite Aid is a family owned business run by Steve, Mike, and Claudia Murphy. Open seven days a week from 7 a.m. to 7 p.m., they serve pizza by the slice or small, medium, and large pizzas made to order. For the month of February "take and bake" pizza is a special; buy one large "take and bake" and get the second one half off. Thursday and Sunday is all you can eat Bar-B-Que ribs with salad bar and garlic bread. They also serve chicken strips, fries, hamburgers and deli sandwiches.

SUSAN DAVID is a new and smiling face at Collier Realty in Fall River Mills. Moving here from Alameda, she said, "This area is a real lifestyle changer. The pace is mellow and the people are wonderful, which makes it nice because in this small area once you help someone buy a piece of property they are not only a client they are probably a neighbor." Susan is a member of the National Association of Realtors and the California Association of Realtors and helps her clients buy and sell residential, commercial, and vacant land for the last six years. She said, "The best part of my job is meeting such nice people and becoming friends with them." Collier Realty

is located at 43603 Highway 299 in Fall River Mills. The phone number to call Susan is 336-6869.

TAKING YOUR REALTOR'S ADVICE

A Realtor may ask you to do some things that you really don't want to do in order to get you moved into your new home as quickly as possible. When Realtors advise you about what you can do to make the transaction work, they are acting as part coach and part business consultant. If you find the house you love and want to "sleep on" the decision for a few days, the Realtor knows that you run the risk of losing the house. If you are inclined to complicate your offer with clauses that may make the contract unattractive to the sellers, the agent may ask you to consider some modifications. Should you call the week before the closing with an attack of "buyers remorse", your agent knows the cure. Following your Realtor's suggestions will increase your chances for a successful move!

At Soldier Mountain Continuation High School to Kelle Miller for 9-12 grade alternative program, a Dell Computer and Printer for \$1280.39.

Trammell said the Foundation acknowledges the following for their generous support:

- Robert Royston and Dennis and Carole Williams for the partial funding of band instruments at Fall River High

- The Catherine McArthur Endowment for the digital

camera for Animal Sciences at Fall River High School.

- The Tri Counties Bank Endowment for the Animal Science grant at Fall River High and for funding the art prints at Fall River High.

- The Johanna Desmond Endowment for funding the Hyperstudio support materials at Burney Elementary.

Community raises funds of \$19,000 to assist with medical bills

BY MEG FOX

With just a barbecue and a drawing for a handmade quilt, the community of Big Valley raised \$19,000 to help one of their neighbors with his medical expenses.

"This valley really turns out for something like that," said Carl Parks, who, with his wife Marian, owns Big Valley Real Estate in Bieber.

Marian Parks and Nancy Monchamp, of Lookout, organized the Jan. 18 benefit for Gary Graham, a longtime Big Valley resident and logging contractor.

Graham had his leg amputated at mid-calf due to complications resulting from diabetes.

"He's doing well now," Marion Parks said.

Bieber 4-H and other volunteers sold tickets for a quilt that was made by Debbie Halpeny and won by Cliff Carpenter, of Bieber, during halftime at Friday night's basketball game at Big Valley High School.

- The Dave and Virginia Hanna endowment for funding the science project and the alphabet tiles at Fall River Elementary School.

- L.R. Christensen for a donation that partially funded the accelerated reading

program materials for Mrs. Thompson's class and also the Ellison die cuts.

- The Dr. Vincent and Julia Meyer Endowment for the majority of the funding for the accelerated math upgrade at Fall River Elementary.

Mayers looks to 20 volunteers for direction in building new hospital

In the coming months, residents of the Intermountain Area will be asking each other what their health care needs are and, if there is a need for a new hospital, where it should be built.

About 20 community members recently volunteered to serve on a citizens advisory committee to help generate answers and they met last week for orientation.

The Community Needs Assessment Committee is tasked with gathering data to submit to the Rural Health-Care Design Network as part of the qualification process for a share of grant funds to build a new hospital. The Network is also funding the needs assessment.

The first committee meeting, led by David Yarbrough, senior planner and analyst with Aspen Street Architects, was basically to give each volunteer "a clear idea of what is involved and what each person's participation really means," said Mike Kerns, of Cassel.

Kerns, a former management consultant with IBM, recognized the need for administrative support in such a large volunteer undertaking and volunteered to help Mayers Memorial Hospital and the committee with this project.

He said once the committee members are comfortable with the task before them, they will begin to get out into the community, probably in

the spring, to talk to people and to gather and compile data.

"We will also be getting lots of experienced professional support when it comes to understanding the big piles of information that we will have collected," said Kerns.

The committee members represent a good cross-section of the area, according to Mayers CEO Jerry Fikes.

Serving are Lillian Arnold, John Betz, Dan Bouse, Joe Bruce, Brian Dahle, Bill Estes, Richard Hall, Kari Hovis, Bill Johnson, Kris

Liponovich, Sandra Martinez, Diane Mayle, Jerry McDaniels, Renee Mee, Lynn Miller, George Montgomery, Shellisa Moore, Diana Oxenford, Jack Pearson, Keith Roper, Karen Van Cleave, Lela Wimer and Lori Winningham.

"They are all very excited and committed," said Kerns.

In addition to gathering important information to ensure quality local health care for the future, Kerns said when the final report is done, "The community has to look at it and say, 'I was part of it and it has credibility.'"

BONNI BUCKMAN

Team rope, pole bending favorite events for her

The Inter-Mountain News, in cooperation with local representatives of the California High School Rodeo Association, District I, is featuring a student/member from Burney, Big Valley, and Fall River high schools who is competing in the 2003-2004 rodeo season.

The CHSRA offers a variety of events for teenagers including saddle bronc riding, bareback riding, bull riding, calf roping and steer wrestling for boys; barrel racing, pole bending, goat tying, breakaway roping and the queen contest for girls; and team roping and cutting contests for both males and females.

The CHSRA is divided into nine districts. Students in District I come from Shasta, Modoc, Lassen, Tehama, Trinity, Siskiyou, Plumas, Butte, Glenn, and Colusa counties. The district membership secretary is Debbie Bidwell, of Hat Creek.

Based on points accumulated through the season, the top three cowboys and cowgirls in each event from each district qualify for the "Challenge of Champions, the prestigious mid-season showdown. As the season continues, members from each district compete for a top five finish that will take them to the CHSRA state finals.

Bonni Buckman is 17 and a senior at Fall River High

School.

She has been a member of the District I, California High School Rodeo Association for four years and participates in many of the events offered.

"My favorite events are team roping and pole bending, but I also participate in barrel racing and breakaway roping," she said.

At the year-end awards last year, Buckman tied for ninth place in breakaway roping and pole bending.

"I want to do my best in high school rodeo. I hope to gain many friends and make every bit count," she said.

Before joining the high school rodeo association, Buckman was a member of the Inter-Mountain Junior Rodeo Association and has been involved in 4-H since she was six years old.

She is also a member of McArthur FFA and has earned her Greenhand, Chapter, and State Farmer degrees. She has been a gold award recipient in the project competition for the past three years.

She owns and shows Dorset and Hampshire sheep in 4-H and at the 2002 Inter-mountain Fair, Buckman was the FFA Round Robin winner.

"I don't play sports, but I am involved in the ski program. I love to rope, rodeo, ride horses, swim, ski, play basketball, shop for shoes, hang out with friends, and watch NFL football games," she said. "I also like to go to

sheep show, mainly because of the awesome food."

Buckman maintains a 3.0 or higher GPA and she was a royalty attendant at the Block F Tournament this year.

She is the daughter of Bill and Carol Buckman of Beaver Creek Ranch in Pit-tville. She has two sisters, Mimi and Heidi.

Her goal is to attend college and study animal health. "I might go into horse chiropractic. I would like to do anything that deals with animals," she said.

Burney grad accepts ASU coaching post

Burney High School graduate Robby Snelling has accepted a graduate assistant's position at Arizona State University in Tempe, where he is working towards his Masters degree in education.

Snelling is assisting the defensive coaches for the Sun Devils football team. ASU is a Division I, Pac-10 school.

Snelling, the son of Larry and Peggy Snelling, of Burney, played quarterback for the Burney Raiders football team in high school.

Following his graduation in 1996, he attended Butte College, where he received

All-Conference and All-Academic honors.

In January 1999 he was awarded a full-ride scholarship to play football (tight end) at Boise State University, while he pursued his degree in education.

He also received All-Conference and All-Academic honors at Boise State.

In May 2000, Snelling was signed as a free agent with the NFL Tennessee Titans, but was released after the final pre-season game.

He joined NFL Europe in the spring of 2001 and played for the Barcelona Dragons.

"In the final quarter of the final game, he broke his leg," said his mother, Peggy. "I watched it on TV. It was ugly."

It also changed his plans. "He switched gears and is now pursuing a coaching career in college football," his mother said.

Lady Raiders lose to Trinity Wolves

The lady Raiders had a disappointing 43-40 loss to Trinity in Weaverville Jan. 20.

"A lot of turnovers and a tough first quarter were the main factors in our loss," said Burney girls' varsity basketball coach Susan Ayers.

Trinity led in the first quarter, 16-5, and though still behind at the end of the second, Burney took its turn leading, scoring 11 points to Trinity's four for the quarter.

"The third and fourth quarters were match-ups, but it wasn't enough for us to catch up," said Ayers.

Kayla Stover, played an "excellent" game, with 19

points, 19 rebounds, 3 steals, and 1 assist. Robbie Fulk scored 14 points and had 9 rebounds, 3 assists and 1 steal.

Aimee Ayers "played a great statistical game," with 14 rebounds, 2 assists, 1 steal, and 1 blocked shot.

Rocksann Barba scored 5 points, with 4 rebounds and 1 assist and Natalie Bartell added 2 points with 3 rebounds and 1 steal.

Burney, 2-3 in League and 6-9 overall, has a home game Friday versus Weed, before traveling Saturday to play Etna, currently first in the League.

Burney JV girls garner win

The Burney JV girls had their first win in basketball for the season, beating the Trinity Wolves in their Weaverville den, 39-31.

Taylor White was the high scorer with 13 points and she had 7 rebounds, 4 steals,

and two blocked shots. Anika Kierce scored 8 points and had 2 rebounds and four steals, and Jessica Van Laak scored 6 points with 4 rebounds, 2 assists and 1 steal.

Rodeo athletes back in saddle; Bidwell is tops

BY MEG FOX

After weather delays in December, riders in the District I, California High School Rodeo Association were back in the saddle last weekend to compete in Red Bluff.

Blaire Bidwell, of Hat Creek, took the prize for All-Around Cowgirl at this event with 100.5 points.

In fact, Bidwell was hardly out of the saddle during the Jan. 25 event and placed in five of the 12 events.

She finished first out of 25 in goat tying (20.24), second place in breakaway roping (24.48), third place in pole bending (44.423), fourth place in girls cutting (137), and seventh place in barrel racing (32.233).

Jackie McArthur, of McArthur, had a third place finish in barrel racing (31.284) and Tera Strickland, of Burney, finished eighth (32.402) in the competition with 37 other racers.

Bonni Buckman of Pit-

tville had a 10th place finish (47.227) in pole bending, competing against 34 other riders.

Alex Vigil of Dixie Valley Ranch finished fourth (43.52) in tie-down roping, closely followed by Chad Bidwell, of Hat Creek, who finished fifth (43.77).

The two Fall River High School cowboys were in competition with 18 other riders in that event.

In the team roping event, Cliff Bernal, of Fall River Mills, finished in sixth place (16.30/1) with his partner Cody Brewer, of Millville.

Big Valley High School student Christian Bidwell, of Bieber, finished in ninth place (28.66/1) with his partner, Cyndle Parson, of Montague.

Jared Ferguson, of Cottonwood, won the All-Around Cowboy award at this event with 74 points.

The next district rodeo is Feb. 14-15 at the Redding Rodeo Grounds.

Lady Bulldogs defeat Weed, Modoc; behind Etna for top spot in SCL

BY MEG FOX

Even with Weed's Lindsey Dawson, the 2003 Shasta Cascade League MVP, off the injury list and back on the court, the Lady Bulldogs triumphed Jan. 20 with a 57-56 win garnered in overtime.

"We played really well," said Fall River girls' varsity basketball coach Kathy Jones.

Fall River and Weed were tied at the half and by the third quarter Fall River had bounded ahead, 17-10, until Weed rebounded in the fourth, 19-12.

"With four seconds on the clock, they got the ball under-

neath the basket and sent us into overtime," said Jones.

Fall River gained a two-point lead in overtime.

"Then they came and fouled us. Abby Salters made both her free throws and put us up by four points and with 10 seconds left in the game, Lindsey Dawson nailed a three-pointer."

Dawson scored 28 points for Weed.

"We couldn't shut her down," said Jones.

Brittany Shelton came close, scoring 22 points and 15 rebounds for the Bulldogs.

Jessica Caldwell had 19

points, 8 rebounds, 4 steals, and 4 assists. Abby Salters added 9 points with 4 assists. Shawna Truan scored 7 points and Delaney Chapman had 8 rebounds.

The Bulldogs had an "easy win" on Friday against Modoc, taking the Braves down, 69-33.

"We played great team defense with 27 steals for the game. We also shot well; 42 percent from the field with a lot of lay-ups running a fast break," Jones said.

Caldwell scored 20 points. Shelton and Truan each scored 14 and Abby Salters added 11 points. Brittany

Wagner scored 4 points and Jackie McArthur, Delaney Chapman, and Heather Turner each added two points for the win.

Shelton had 16 rebounds. Caldwell had 8 steals and 5 assists. Truan had 6 steals and Chapman had 5 steals.

"Everybody had lots of playing time and it was a lot of fun. I wish all our games were that easy," said Jones.

The Lady Bulldogs are currently standing second in the League at 4-1 and 9-5 overall. Etna is in first place and Fall River faces them on Friday.

Fall River's Jessica Caldwell and Abby Salters put pressure on Modoc in Friday night game.

Burney JV boys continue win streak, defeat Weaverville

Burney's JV boys are still rolling over the other teams in the Shasta Cascade League and notched another win last week, beating Trinity, 76-62.

Raider sophomore Kevin Sutherland had a spectacular game, scoring 30 points that included six 3-point shots.

"One of the three-pointers was a buzzer-beater that he threw at the end of the first

half. Everything he threw up went in," said Coach Wade Jones.

Teammates Ryan Rhodes scored 15 points, Cooper Allison scored 10 points, and Tyler Watson and Nate Bartell each scored 6 points. Grant Moody was in "foul trouble most of the game," said Jones, and scored only 4 points.

Bulldog JV girls lose 2 games to Weed, Modoc

Fall River's JV girls lost to Weed, 36-31, and to Modoc, 18-6, in what was a disappointing week of basketball for the Bulldog team.

"We played a pretty good game against Weed, but had no baskets in the last three minutes of that game," said Coach Todd Sloat.

Kelsey Sloat scored 10 points for her team and Maggie DeCoito added 9 points to the scoreboard.

Against Modoc on Friday, Fall River looked good with a half-time score of 9-5 in their favor.

"We played well defensively, but, once again, we struggled to make our shots in the last quarter," said Sloat.

Heather Sanson was the leading scorer with 4 points. Maggie DeCoito assisted by getting 10 rebounds.

Bulldogs Nick McFarlin, right, and John Morris, left, eye ball in Friday game.

Burney varsity boys lose close game to Trinity Wolf pack

The Burney and Trinity boys' varsity teams had a neck-and-neck fight to the finish on the Wolves' basketball court last week, but what looked hopeful at first ended in a 79-76 defeat for the Raiders.

"It was a very good game with high scoring and lots of back and forth action, but, unfortunately, we lost it," said Burney JV coach Wade

Jones, whose wife Tara is the boys' varsity coach.

Trinity managed to stay ahead by a mere two points throughout most of the game.

Kyle Moody and Ryan Huffman led their team in scoring with 17 points each. J.D Dennis scored 10 points, Kevin Wrigley scored 8 and Rocky Torgrimson scored 7 points.

Fall River Coach Greg Hawkins said the Bulldogs boys' varsity basketball team played well last week with a 63-48 win against Weed and then a loss, but close at 44-42, against Modoc Friday.

"The Weed game was a great game and we were fortunate to win. We also played well in the Modoc game, but had (fewer) baskets," he said.

Versus Weed, Blake Connors scored 16 points and Alfred Olvera scored 15 points. Brandon Beck, Nick McFarlin and John Morris each added 10 points.

Morris was the high point scorer, with 12 points, in the game with Weed. Olvera added 11 points to the scoreboard.

Bulldog JV boys lose 2 games

Ahead by one point at half time, Fall River's JV boys' basketball team could not hold the Modoc Braves back and took a 74-57 loss Friday. Shane Robertson scored 26 points for the Bulldogs and Brandon Oilar scored 16 points.

In their Jan. 20 game versus Weed, the Fall River JV's lost 65-39. Brandon Oilar was the high point scorer in that game with 14 points.
